

# Child and Family Resource Council

## Kent County Healthy Start Volunteer Opportunities

protecting children,  
supporting families,  
and strengthening  
our community

- Yes, I am interested in volunteering at the Spectrum Health/Butterworth Hospital Campus

Help offer Kent County Healthy Start's services to brand new first time parents in the hospital setting at Spectrum Health-Butterworth Campus. Training is provided at Spectrum Health-Butterworth Campus and inexpensive day care is available. We ask for an approximate two-three hours/week commitment for this position. Parking is free and your schedule can be flexible.

- Yes, I am interested in volunteering for Kent County Healthy Start's Phone Call Component

Help make phone calls approximately 2 hours a week to first time parents in Kent County. Participation in this parent support service is voluntary. Volunteers making calls must be a parent or have child development experience. A six-hour training and phone calls (day or evening) would take place at the Child and Family Resource Council located on the 2nd floor of the United Way Center. Parking is free and convenient in the United Way parking facility at 118 Commerce, Grand Rapids.

- Yes, I am interested in volunteering behind the scenes for the Kent County Healthy Start's Phone Call Component

Help Healthy Start through assisting with administrative tasks and sending first time parents child development and parenting material at their child's appropriate developmental stage.
